**After School Programs**
The After-School programs give students the opportunity to develop their physical, mental and emotional abilities, which complement their comprehensive education, allowing them to be successful in the world around them.

The sports program helps students develop continuous improvement, a sense of self-discipline, and the ability to follow rules resulting in a complete balance in their education.

We offer: Soccer, basketball and gymnastics

The Euroamerican School's Extracurricular Activities program is an integral part of the school's daily activities. They develop talent, skills, creativity and imagination, capacity for focus, time management, constancy and achieve greater self-confidence which, in turn, reflects on student's academic performance.

Some of our Extracurricular Activities are: Model United Nations, Destination Imagination, arts and crafts, designing and making jewelry, cooking, reading and phonics, dance, among others.

**What food is served at Euroamerican School / at Cafeteria?**
We have 3 breaks: Recess, Lunchtime and After school. Children can bring their own lunches to school. We offer a variety of nutritious snacks and complete lunches available in the Cafeteria. Parents can ask for a complete menu (monthly, weekly or daily lunch) and they can order and **pay online**. Parents are welcome to join their children in the cafeteria after school and bring your own homemade lunch and eat with their children.
FREQUENTLY ASKED QUESTIONS

How are allergies handled?
Parents must fill a Medical History format form each student, which indicates if the child has any allergies or medical requirements that must give continuity. The nurse is responsible to inform the student’s needs to the respective teachers. In case the child needs some medicine at school, parents can bring medicines and prescription with directions so the nurse can take over.
